"The 2006 Cabernet Sauvignon (79% Cabernet Sauvignon, 15% Malbec, and 6% Petit Verdot) is a refined, gracious, elegant effort displaying loads of black and red currants intermixed with licorice, mountain flora, and underbrush characteristics. Medium to full-bodied with superb concentration, sweet tannin (especially for a 2006 mountain wine), and good acidity as well as purity, this terrific wine has a Bordeaux-like weight along with the beautiful ripeness and purity of a Napa Valley Cabernet Sauvignon."
