

J·DAVIES

2008 CABERNET SAUVIGNON Diamond Mountain District, Napa Valley

93 points

“The 2008 Cabernet Sauvignon is a beauty of elegance and power, revealing a dense ruby/purple color as well as lovely black currant fruit intermixed with black cherries, loamy soil and spring flowers. Medium to full-bodied and elegant as well as authoritatively flavored and rich, this blend of 84% Cabernet Sauvignon, 12% Malbec and 4% Petit Verdot has tamed the mountain rusticity and offers rich fruit and floral flavors that have more in common with the Stags Leap appellation.” —Robert M. Parker, Jr., December 2010
