SCHRAMSBERG 2007 BLANC DE NOIRS 94 POINTS, EDITORS' CHOICE

"Mainly Pinot Noir, with some Chardonnay for brightness and citrusy zest, this brilliantly clean wine has an incredibly fierce mousse. It seems to boil in the glass, and the followup mouthfeel is as creamy and refined as any California sparkler in memory. The Pinot asserts itself in delicate touches of raspberries and strawberries. Delicious and compelling now. Try with sushi."

SCHRAMSBERG 2007 BRUT ROSÉ 94 POINTS

"With a pretty pink-salmon color, this Pinot Noir-based blush is rich and full-bodied. It has considerable weight for a bubbly, but the acidity and freshness and yeasty tang lift it up to Champagne elegance. Impossible not to fall in love with this raspberry-scented beauty, but why wouldn't you want to?"

SCHRAMSBERG 2003 J. SCHRAM 94 POINTS, CELLAR SELECTION

"A beautiful, rich, elegant, fancy sparkling wine. Feels so fine in the mouth, all silk and satin, with deep, dry raspberry, strawberry, vanilla, toast, yeasty lees, brioche and honey flavors. Superb, but young. Needs time. Give it until 2011, if you can keep your hands off, and should develop until 2015, if not longer."

MIRABELLE NV BRUT ROSÉ 90 POINTS, EDITORS' CHOICE

"A beautiful rosé sparkling wine, one that shows loads of finesse and elegance. But the final word is its deliciousness. Really captivates with subtle raspberry, toast, vanilla and yeasty brioche flavors that finish so crisp and clean."
