

# MAS LA CHEVALIERE

LANGUEDOC

2017 PINOT NOIR, IGP PAYS D'OC  
LANGUEDOC, FRANCE

#### LA CHEVALIÈRE:

“La Chevalière,” or “the knight’s lady,” is a reference to “Mas La Chevalière” which is literally the “farmhouse of the knight’s lady,” the Laroche winery in southern France where this wine is produced.

#### 2017 VINTAGE:

The 2017 vintage is surprising. Weather conditions were unusual: frost in winter, good amount of rain in spring and a very dry summer. These conditions moved the harvests 7 to 10 days earlier, giving a lower yield in comparison with the previous years. Yet, quality is here. The harvested berries showed a nice balance between sugar and acidity, and the must presented a complex and lovely aromatic structure. White wines are fresh and elegant; Shiraz and Grenache have a gorgeous potential. 2017 is as great as 2010!

#### TASTING NOTES:

Bright ruby hue

Ripe and pulpy cherry aromas

Juicy mouthfeel combined with supple, velvety tannins

GRAPE VARIETY: 100% Pinot Noir

VINEYARD REGIONS: The Pinot Noir grapes come from our vineyard partners in two distinct regions of the Languedoc: the Cévennes foothills in the Northern Gard region (The Cévennes is a maze of deep valleys with winding rivers of clear waters, steep slopes covered in forests and jagged rock cliffs and ledges. More than a mountain chain, the Cévennes are in fact a multitude of many-sided open spaces which form the southern part of the Central Massif as it veers towards the Languedoc.); and from Limoux, in the hills south of Carcassonne in the western Languedoc, where the influence of a maritime climate provides cooler, fresher conditions. The soils are varied, with clay and limestone predominant.

VINEYARD SIZE: 30 hectares (74.13 acre)

VINE AGE AND DENSITY: 20 years old; 4,000 vines per hectare (1,600 vines per acre)

VITICULTURE: “Lutte raisonnée,” or “reasoned protection,” (using chemical intervention only when required); cordon pruning, fruit thinning and high trellising in the vineyards

HARVEST DATES: Early September

FERMENTATION: 12 days at 26° to 28°C (78° to 82°F) in stainless-steel tanks with daily pump overs to increase skin contact and aerate the wine

MALOLACTIC FERMENTATION: 100%

MATURATION: 6 months in stainless steel, no barrel aging

FINING/FILTRATION/BOTTLING: Bottled with minimum filtration to preserve the natural character of the wine

TOTAL CASES PRODUCED: 25,000 12/750 ml

ALCOHOL: 12.5%

TA: 3.13 g

PH: 3.68

AGING POTENTIAL: 2 years
