

CHÊNE BLEU

2011 ABÉLARD AOC VENTOUX

STORY OF ABÉLARD

Abélard, one of the most distinguished philosophers of medieval times, is most remembered for his tragic romance with the gifted young Héloïse. One of history's most celebrated couples, Héloïse and Abélard are known for their intellectual brilliance, passionate love affair, eloquent letters and the tragedy that cruelly separated them. Sometimes referred to as “the Romeo and Juliet of France,” they were actually far more complex and accomplished individuals, and their love spanned many decades until the end of their lives, making it a symbol of enduring romantic love. This complex, brooding Grenache blend from older vines seems worthy of Abélard, who combined erudition with deep thinking and a near-fatal attraction.
