

# MAS LA CHEVALIERE

SUD DE LA FRANCE

2019 CABERNET SAUVIGNON

LANGUEDOC, FRANCE

#### LA CHEVALIÈRE:

“La Chevalière,” or “the knight’s lady,” is a reference to “Mas La Chevalière,” literally the “farmhouse of the knight’s lady,” the Laroche winery in southern France that was created by Michel Laroche. Surrounded by a wall, just like the “clos” enclosures in Burgundy, Mas La Chevalière is a place of history and character where the “jardins à la française” offer a Mediterranean accent.

#### 2019 VINTAGE:

The 2019 vintage in the South of France was out of the ordinary. The weather was very hot throughout the year and the lack of water was very significant during both Spring and Summer. However, the grapes which were perfectly healthy at the harvest time, showed a nice acidity during the maturation process. The 2019 wines are very well balanced with very nice color and hue.
