2018 CHÂTEAUNEUF-DU-PAPE

VINTAGE

The 2018 vintage was marked by abundant rain that brought welcome relief to the Provençal vegetation that was able to recover after a particularly dry summer in 2017. Combined with high temperatures during the growing season, this humidity resulted in unprecedented levels of mildew in the vines and consequently very low yields.

Fortunately the frequent use of essential oils and plant based tisanes, together with our biodynamic practices and a magnificent autumn, limited the damage and enabled us to bring in superb grapes.

TERROIR

Châteauneuf-du-Pape is characterized by the diversity of its soils, with a mosaic of plots where different varieties grow together on limestone rock, round pebbles on a clay substrate with varying amounts of iron, and fine sedimentary sand.

GRAPE VARIETIES

A blend of the 13 varieties of the appellation, predominantly Grenache.

WINEMAKING AND MATURING

The grapes are hand-picked and sorted in the vineyard. Co-fermentation, long vatting for soft extractions. Matured for 12 months in conical vats, foudres and barrels.

TASTING NOTES

Domaine de Beurenard's flagship wine is a quintessential blend, reflecting all the diversity of the terroir and the perfect synergy that exists between the soils and the grapes. It offers a supple and refined texture associated with a delicate aromatic palette that is the result of a constant quest for freshness.
