## 2020 MARLBOROUGH SAUVIGNON BLANC

### HISTORY

Made in Blenheim, the wine capital of New Zealand, FRENZY Sauvignon Blanc is produced by Paua Bay Wines and is a carefully made blend of the best wines from selected vineyards. Capturing the spirit of New Zealand, FRENZY is crisp, refreshing, vibrant, aromatic and energetic with hints of peach, grapefruit, lime, melon and fresh cut grass. New Zealand produces what many wine critics consider the world's best Sauvignon Blanc, so drink up the FRENZY.

### VINEYARDS

FRENZY Sauvignon Blanc is sourced from selected vineyards located in New Zealand's famous Marlborough region, which is ideally suited to this varietal. The soil is composed of volcanic Greywacke stones and alluvial river silt.

### VINTAGE NOTES

2020 has produced a 'classic' Marlborough Sauvignon Blanc. The growing season was perfect with a long, warm, dry summer and minimal rain prior to harvest. Harvest began in the first week of March and was completed two weeks later. The resulting wine is fruit-driven and concentrated, complemented by strong aromatics. This is a great example of one of Marlborough's best vintages for some time.

### VINIFICATION

The grapes were gently pressed before fermentation in stainless steel tanks. Fermentation was conducted at low temperatures (12-14C) to retain the wines strong and appealing aromatics.

### TASTING NOTES

Intensely aromatic and lively with flavors of peach, grapefruit, lime, melon and cut grass. This is a crisp, refreshing, vibrant and aromatic example of Marlborough's best Sauvignon Blanc that can be enjoyed as an aperitif, or match with seafood.
