FAMILIA TORRES

WINES FROM SPAIN

SPAIN | DO PENEDES

MAS LA PLANA 2011

ABOUT THE FAMILY

Familia Torres founded its first winery in Vilafranca del Penedès in 1870, 150 years ago, but its roots in the winegrowing traditions of Spain date back to the 16th century. Five generations have carried the family business forward, passing on their passion for wine culture from parents to children – a passion steeped in respect for land and tradition, and a firm belief in innovation. Today the family focuses on wines from unique vineyards and historical estates, as well as the recovery of ancestral varieties. Familia Torres has a historical connection to Penedès, Conca de Barberà, Priorat, and Costers del Segre, but now its presence extends to vineyards and wineries in preeminent Spanish wine regions – Rioja, Ribera del Duero, Rueda, and Rías Baixas.

ABOUT THE WINE

A 1979 blind tasting in Paris, the Gault-Millau Wine Olympics, placed French Cabernets such as Châteaux Latour against newcomers including Torres. The wine from Mas la Plata vineyard triumphed over some of the world’s most iconic, placing first, which put Penedès on the map as benchmark quality for the best red wines in the world.

“This polished red is focused and harmonious, with plum, cassis, licorice, tobacco and mineral notes that mingle gracefully over well-integrated tannins. Marries density and freshness, presenting a long, savory finish. Drink now through 2026.”
