**Natalie's Score: 92/100**

A deeply concentrated, dark and brooding wine with great depths of flavour and complexity. This towering Spanish red wine made from the classic Cabernet Sauvignon grape. The grapes for this lusciously ripe Cabernet grow on vines planted on the Mas la Palana estate. Aromas of blackberry jam, dark spice and some pepper. Pair with grilled meats.

Cabernet Sauvignon food pairings: lamb Bolognese, grilled New York strip loin, hard cheese, braised pork shanks, veal chops.

### Voluptuous Veal Wine
