### TASTING NOTES

On perusal the full golden color presents nuances of green, which is made even more brilliant by the elegant, fine and persistent perlage. The intense aroma releases floral notes of magnolia, jasmine, white roses and acacia as well as fruity notes of lemons, tangerines and white peaches which tantalize the nose. On the palate it is at once creamy, soft, well-balanced with a pleasant freshness and fullness of flavor. Well-structured with an enduring finale as wave after wave of white balsamic notes contribute to making it complex, rich and persistent. A perfect wine for the aperitif paired with appetizers or after the meal with desserts, fruit tarts and light pastries.
