*LES ARGILES BLEUES*

#### **VINTAGE**

2019 vintage is in line with the top vintages of the decade. After a nice winter, spring came slowly, when our famous wind “Mistral” helped to keep a healthy environment in the vineyard during the important growing season. The last week of June, Rhône Valley vineyards went through a heat wave with temperatures above 45°C (113 °F). Fortunately, our biodynamic sprays of horn dungs, silicas, chamomiles, nettles and essential oils, combined with good water reserves in soil from 2018, helped the vines to continue their growth in great condition. Thanks to gentle rains in August and September, we were able to pick beautiful, healthy and balanced grapes.
